Dear Parents:

The library is the perfect place for children and their families to gather together and enjoy all of the wonderful resources the library provides.

The Summer Reading program is essential to join over the summer as it motivates children to keep reading. Children can develop positive attitudes about reading, books, and the library and maintain their reading skills during summer vacation all at the same time!

Rock and roll with us all summer long at our hands on programs, Tuesday night family night events and most of all helping our children experience the joy in reading. We'll see you at the library!

Registration starts on Monday,  
June 25th.
