

# Book Buddies Survey

## Participants

**We need your help! Take this quick survey to help us format and tailor this program to yours and your child's needs.**

The Bronxville Public Library would like to start a "Book Buddies" program where volunteers and participants meet at the library to help the participants learn to read or work on their reading.

*What we would like to work on or include:*

Reading on the child's level

Sight words

Learning and defining new words

Dialogic Reading, letting the child read to you

Fun games and activities with their volunteer

### Survey:

1. What would you like to see your child gain from this program?
2. Would you like to see an individual activity (just buddies) or a group activity after reading?
3. How often would you like this program to run?
  - a. Once a month
  - b. Every other week
  - c. Once a week
  - d. Other : \_\_\_\_\_
4. Are there any issues or concerns with volunteers being teenagers from our local communities?
5. Any suggestions of what or what not to include?

Please hand this survey to the children's reference desk.
